Subject: Item No. 21, Applicant Anti-drug Abuse Certification

The following is the wording of item number 21 of FCC Form 442, page 4. In the original application I submitted for an experimental license I neglected to check this item YES or NO. Please, accept this letter as my Anti-drug Abuse Certification.

Item 21, FCC Form 442

By checking "YES", the applicant certifies that, in the case of an individual applicant, he or she is not subject to denial of federal benefits, that includes FCC benefits, pursuant to Section 5301 of the Anti-Drug Abuse Act of 1988, 21 U.S.C. 8652, or, in the case of a non-individual applicant (e.g. corporation, partnership, or other unincorporated association), no party to the applicant is subject to a denial of federal benefits, that includes FCC benefits, pursuant to that section. For the definition of "party" for these purposes, see 47 CFR 1.2002(b).
