Attn: Experimental Licensing Branch/ OET

GTE Laboratories Incorporated hereby submits an FCC Form 442 application with appropriate exhibits, in duplicate, requesting a new Experimental Radio Service authorization. The applicant seeks experimental authority, commencing on or about August 1, 1998 in order to test fixed wireless local loop technology as described herein.

GTE Laboratories Incorporated seeks authorization to conduct a variety of tests and evaluations of fixed wireless local loop technologies and system architectures in frequency bands currently governed by existing FCC Rule and Regulations.

The filing fee for this application was paid to the Mellon Bank electronically. The audit code is shown on the accompanying Form 159. Please direct any questions regarding this matter to the undersigned at 202-463-5295.

Sincerely,

Suzanne Carmel
Manager, Regulatory Affairs
