Attn: John Morgan

Dear Mr. Morgan:

Transmitted herewith is an FCC Form 442 with associated exhibits. The purpose of this application is to request experimental authorization for a Cellular Digital Packet Data (CDPD) network in accordance with the Title 47 CFR, Part 5. The small network will be used to assess the capability of CDPD networks to support running data applications. The project will consist of a main station and a small collection of remote units.

If you have any questions concerning this application, please contact the undersigned at (202) 463-5295.

Sincerely,

A handwritten signature in black ink that reads "Suzanne Carmel". The signature is written in a cursive, flowing style.

Experimental License Class XD, FX, MO

Dear Mr. Marrangoni,

We have been successfully operating a Cellular Digital Packet Data (CDPD) base station in our Data Solutions Center here in Atlanta according to the referenced license since June 1995. This license is nearing expiration and we would like to continue the use of our laboratory facility.

I hereby request an extension of two (2) years to the above referenced license. Kindly advise at your earliest convenience.

Please call with any comments or questions.

Sincerely,

A handwritten signature in black ink, appearing to read "Bob Landstrom". The signature is fluid and cursive, with a long horizontal stroke extending to the right.
