Subject: Request for Info - File #0026-EX-PL-2010

---

Message:

Coordination has been successfully completed with the FAA Regional Frequency Management Office. The regional office has assigned the Globalstar Milpitas Test Bed Earth Station two NGT numbers, one for each antenna:

Site 1	37-25-32 N/ 121-53-47 W	5091-5250 MHz	coord#	NG T100145
Site 2	37-25-30 N/ 121-53-46 W	5091-5250 MHz	coord#	NG T100146
