Subject: Request for Info - File # 1228-EX-ST-2017

Message:

I apologize for the nature of the short turn-around, but we've already acquired permissions from FirstNet in band 14 and Sprint in band 7 for the location in question at Aberdeen Proving Ground. FirstNet is actively waiting on this STA as is the Army Warfighting Information Network - Tactical Program. Could this request be revived? If you'd like further clarification please contact our POC for the Army,

Thank You,
