

9/30/2019

Attn: Federal Communications Commission

Please accept this letter as authorization to withdraw FCC file number 0775-EX-CN-2019 for Garmin International. There was a problem with the FCC website that would not allow payment of FCC fees.

A second application was submitted, FCC file number 0799-EX-CN-2019 and the FCC fees paid for this application. Please process this application instead.

Thank you,
