Federal Communications Commission (FCC)  
Office of Engineering and Technology  
RE: File # 0012-EX-CM-2021

To whom it may concern,

We've come to an understanding with the FAA, that the SATCOM backup stipulation should no longer be required. Please confirm by removing this requirement from our grant.

Thanks,

Brent Warner  
Project Manager, FAA/FCC Certification  
General Atomics Aeronautical Systems, Incorporated
