Subject: Request for Info - File # 0461-EX-CN-2021

Message:

Your last response concerning spectrum limitations didn't fully resolve the issue. You can only use a 100 MHz bandwidth in 1435-1535 MHz and 1668.4-2025 MHz. Do you want to reduce the bandwidth or settle for those two bands?

The items indicated above must be submitted before processing can continue on the above referenced application. Failure to provide the requested information within 30 days of April 13, 2023 may result in application dismissal pursuant to Section 5.67 and forfeiture of the filing fee pursuant to Section 1.1108.
