Subject: Request for Info - File # 0837-EX-CN-2019

Message:

1. You have marked two exhibits as confidential. You must submit an item-by-item justification for the confidentiality request to answer the nine subsections of Part 0.459(b) of the FCC's rules. All non-confidential material must be separated from the confidential material and must be viewable by the public, as must the confidentiality justification.
2. Submit a narrative statement describing in detail the program of research and experimentation proposed, the specific objectives sought to be accomplished; and how the program of experimentation has a reasonable promise of contribution to the development, extension, or expansion, or use of the radio art, or is along lines not already investigated. Also, describe the project associated with the government contract.
3. Submit the center coordinates of Grey Butte Airfield and the radius of operations around those coordinates where the testing will occur.
4. Coordinate the use of 1030 MHz with the FAA through their web portal at <https://webfcr.faa.gov/Account/Login.aspx?firstlogin=no>. Report back to this office any NG T numbers that are assigned.
5. What is the maximum altitude that the aircraft will transmit from?

The items indicated above must be submitted before processing can continue on the above referenced application. Failure to provide the requested information within 30 days of January 24, 2020 may result in application dismissal pursuant to Section 5.67 and forfeiture of the filing fee pursuant to Section 1.1108.
