Subject: Request for Info - STA File #0462-EX-ST-2017

Message:

1. What is the maximum altitude that the aircraft will transmit from?
2. Are the coordinates in the text box the end points of the flight path?
3. Are the transmissions of the simulated data emitted from the ground base station already licensed? If not, the location and transmission parameters (frequency, power, emission) will need to be added to the application.

The items indicated above must be submitted before processing can continue on the above referenced application. Failure to provide the requested information within 30 days of April 13, 2017 may result in application dismissal pursuant to Section 5.67 and forfeiture of the filing fee pursuant to Section 1.1108.
