Attention: Mr. Young

After filing this STA extension request, it occurred to me that it had already been extended once before. I have already submitted Form 442 for a regular experimental license, as you suggested, that includes this frequency band as well as a couple of others.

Please refer to File Number 0100-EX-PL-2013 for additional details and project narrative.

Therefore, I respectfully request the withdrawal of this particular STA extension application.

Thank you very much.

Regards,
Gil Estrella
