Subject: Request for Info - File #0526-EX-PL-2011

---

Message:

Dear Mr. Young,

I have modified the original Confidentiality Request Letter and included an item-by-item justification in accordance with the nine items in Part 0.459(b) of the FCC's rules. I will upload this updated attachment into the system for this application.

I hope this addresses your comments regarding the original request. Please let me know if you have further questions or concerns.

Regards,  
Gil O. Estrella  
GDC4S EMC Engineer
