Subject: Request for Info - STA File #1031-EX-ST-2013

Message:

Mr. Young--

Apologies for the error in my submission. I have updated the coordinates to reflect an accurate location:

40° 0'45.63"N
74° 37'31.91"W

This location has been selected as being the center of Fort Dix with a corresponding area of operation 3.5km around this location.

Regards,

--Keith Sinclair
