Message:

Did the FAA give you NG T numbers for 1008 MHz and 1100 MHz? Those frequencies also require FAA pre-coordination and we need NG T numbers before we can proceed, along with NG T numbers for 9000-9200 MHz.

The items indicated above must be submitted before processing can continue on the above referenced application. Failure to provide the requested information within 30 days of November 03, 2017 may result in application dismissal pursuant to Section 5.67 and forfeiture of the filing fee pursuant to Section 1.1108.
