Subject: Request for Info - STA File #0422-EX-ST-2016

Message:

1) Yes. LOS frequencies (250MHz, 251.9MHz, 255MHz, 275MHz) were coordinated with Dirk Hale of NPS and Army Spectrum Management, responsible entity for Camp Roberts Frequency coordination.
2) Agree with the corrections, however, OTH channels (302.xxx MHz) are pending allocation by UHF MILSATCOM frequency management. John Harwood of NAVAIR (john.harwood@navy.mil) is aware of this ongoing discussion.
