Subject: Request for Info - STA File #0915-EX-ST-2016

---

Message:

Yes, this is for another JIFX event.

We should have requested more than just that one event (4 days) in the original STA, hence this one is for the maximum length of time.

Note. This request has taken into account the clarifications from the Navy regarding STA 0422-EX-ST-2016.

Regards
