Mr. Young:

As requested, this is to confirm that the Wireless Bureau has consented to the pro forma assignment application filed with that Bureau under File No. 0007994242.

No other assignment applications were filed with respect to this transaction, except for the pro forma application pending with the Experimental Branch under File No. 0011-EX-AU-2017.

Accordingly, this is to request Experimental Branch processing and grant of the pro forma assignment application under File No. 0011-EX-AU-2017. If there are any remaining issues or questions, please feel free to contact undersigned counsel.
