and

Ongoing or continuing internal range development and characterization, and Independent Research and Development (IR&D) activities for the development, characterization, and testing of antennas and radomes.

Also, this is to advise the Commission that the telephone number of the “stop buzzer”, Gerald Hicks, has changed. The prior telephone number for Mr. Hicks was 267-783-3121, ext. 1392. The current “stop buzzer” information is now:

Gerald Hicks – 276-783-9825

The range operator will also be available by telephone at (276) 783-3121 x 1393 if Mr. Hicks cannot be reached.

Finally, for any e-mails from the Commission, please note that the new Point of Contact for this license and for this renewal application is as follows:

Gerald Hicks – 276-783-9825
