Subject: Request for Info - File #0162-EX-PL-2016

Message:

Applicant: General Dynamics
File Number: 0162-EX-PL-2016
Correspondence Reference Number: 31551

Date of Original Email: 03/18/2016

Mr. Young,
Please forward to coordination with the frequency band stated in the application, including 14.7145-14.715 GHz, since this will be beneficial to the testing. The project has elected to proceed as is and will make any requested changes in the future if necessary.

Thank you.

Regards,
Gil Estrella
