Subject: Request for Info - File #0267-EX-CN-2016

---

Message:

Reference Information from OET email:

Applicant: General Dynamics

File Number: 0267-EX-CN-2016

Correspondence Reference Number: 34858

Date of Original Email: 12/01/2016

Attention: Mr. Doug Young

The RR antenna is actually approximately 18.2 meters from the nearest building wall. The original calculation was provided by the installer using a d=0 distance to the outside wall.

I have modified the calculations to include the appropriate distance to the outer wall. This will be uploaded as a revised calculation document.

Let me know if you need additional information.  
Thank you very much.

Regards,  
Gil Estrella
