Subject: Request for Info - STA File #0701-EX-ST-2006

Message:

Is this application a straight request for extension of the previous STA, file # 0138-EX-ST-20056? If so, how much longer do you intend to operate? If the anticipated period is longer than another six months, then it is appropriate to file a Form 442 for a regular experimental license.

The items indicated above must be submitted before processing can continue on the above referenced application. Failure to provide the requested information within 30 days of September 14, 2006 may result in application dismissal pursuant to Section 5.67 and forfeiture of the filing fee pursuant to Section 1.1108.
