Subject: Request for Info - File # 0178-EX-CM-2018

Message:

While your new calculations comply with 8.3.27 of the NTIA Manual, you have not changed the values in the form. You should delete the entry for L2 if you are no longer using it. You should change the values of L1 to reflect the new calculations. Remember, though, that the Experimental Licensing System requires entries in ERP, not EIRP. Convert your EIRP values to ERP ($ERP = EIRP/1.64$) and enter them into the form.

The items indicated above must be submitted before processing can continue on the above referenced application. Failure to provide the requested information within 30 days of September 25, 2018 may result in application dismissal pursuant to Section 5.67 and forfeiture of the filing fee pursuant to Section 1.1108.
