Subject: Request for Info - File # 0034-EX-AU-2020

---

Message:

In response to the referenced correspondence, the Applicants report that the contemporaneously filed Earth station assignment applications (File Nos. SES-ASG-20201022-01156 & -01157) are undergoing final review by the International Bureau and should appear on Public Notice soon. The Applicants will provide further updates when these applications are Accepted for Filing and when the International Bureau acts on them.
