Message:

Dear Mr. Young,

In response to your e-mail, Google requests that you modify the two emissions designators mentioned in your e-mail. Specifically, we would like to replace "10M0GXW" with "10M0G7W" and replace "20M0GXW" with "20M0G7W." Please don't hesitate to contact me if you have further questions regarding our application.

Cheers,
