Subject: Request for Info - STA File #1483-EX-ST-2016

Message:

The 2412-2462 MHz band you listed in your response to my last inquiry fits entirely within the 2402-2480 MHz band you listed. Explain why it is necessary to list that band separately. Also, do all the bands you listed apply to the two different ERP values for Transmitter #1?

The items indicated above must be submitted before processing can continue on the above referenced application. Failure to provide the requested information within 30 days of October 27, 2016 may result in application dismissal pursuant to Section 5.67 and forfeiture of the filing fee pursuant to Section 1.1108.
