Subject: Request for Info - File #0013-EX-PL-2013

---

Message:

Application was amended today, March 8, 2013, to show max emission 30M0W7W in the 2450 - 2483.5 MHz sub-band. Same emission was also included in the 1990-2110 MHz sub-band. Narrative statement was revised accordingly.
