Form 442 Exhibit for Question 7

Dear Sir/Madam,

Harris RFCD is a developer and manufacturer of military and tactical radio systems. Our Radio Engineering department is interested in this license to test our new line of radios. The testing would consist of on air testing from a fixed location radio to a mobile radio. The radio testing would occur with the fixed site at 1680 University Avenue, Rochester, NY and the mobile site would operate within 50 kilometers of the same location.

Sincerely,

Jamison J. Waldron
Field Engineer
