Subject: Request for Info - File #0140-EX-PL-2014

Message:

Dear Doug:

On April 29, 2014, in connection with File No. #0140-EX-PL-2014, FCC staff requested application coordination with the eastern FAA Regional Frequency Management Office.

Harris Corporation (Harris) recognizes that we are approaching the 30-day deadline. Harris is still in the process of coordination and does not yet have an NGT number. Accordingly, Harris hereby requests a 30-day extension to complete coordination and obtain the requested NGT number.

Please advise if a 30-day extension is acceptable. Thank you for consideration of this request.

Respectfully,
Glenn Werner
