

Harris FCC Experimental license application

Question 4

Question 4*

Is this authorization to be used for fulfilling the requirement of a government contract with an agency of the United States Government? If "YES", include as an exhibit a narrative statement describing the government project, agency and contract number.

Yes No

Answer:

The United States Department of Transportation, Federal Aviation Administration, Data Comm Integration Services (DCIS), DTFAWA-12-D-00058 awarded to Harris to provide integration and engineering services for the end-to-end DataComm system, including management and delivery of data communications services leveraging commercial air-to-ground digital data link networks to connect FAA air traffic control (ATC) sites and data communications-equipped aircraft.
