Subject: Request for Info - STA File #1169-EX-ST-2015

---

Message:

In a letter dated October 27, 2015, 2010 the Commission sent the following inquiry in response to experimental STA application 1169-EX-ST-2015 -

"Do you have a military sponsor for this testing? The Military Assignment Group (MAG) usually requires a military sponsor for use of MAG frequencies. Provide the name of a military contact with phone number who can vouch for the use of this frequency."

In response, Harris Corporation provides the following military sponsor contact:

Steve Clark (of the US Army's MNVR Program) Phone:

(443) 395-2659
