Subject: Request for Info - File # 0086-EX-CM-2021

Message:

Give a short, concise description of what is being modified and why. If the purpose is to comply with the new oceanographic radar allocations, how come you are still filing as an experimental application instead of using the Universal Licensing System (ULS) to file for a regular license?

The items indicated above must be submitted before processing can continue on the above referenced application. Failure to provide the requested information within 30 days of July 22, 2021 may result in application dismissal pursuant to Section 5.67 and forfeiture of the filing fee pursuant to Section 1.1108.
