Subject: Request for Info - File #0489-EX-PL-2016

Message:

The exhibit to your application says that your request is to perform a one-week demo. However, you have filed a Form 442 for new experimental license requesting 12 months. If all you want is authority for the demo, you should request withdrawal of this Form 442 and refile as a Special Temporary Authority (STA). A Form 442 usually requires at least 30 days to process.

The items indicated above must be submitted before processing can continue on the above referenced application. Failure to provide the requested information within 30 days of July 08, 2016 may result in application dismissal pursuant to Section 5.67 and forfeiture of the filing fee pursuant to Section 1.1108.
