Dear Ms. Pederslie:

Snohomish County Airport (Paine Field), Everett, Washington
Aeronautical Study Number 2003-ANM-406-NRA Determination

We have conducted an aeronautical study for installation of an antenna tower, 34-feet in height, on building C78 at, Snohomish County Airport (Paine Field), Everett, Washington as depicted in the drawing enclosed with your proposal dated August 1, 2003.

It has been determined that the proposal would not exceed the standards of Federal Aviation Regulation Part 77. Therefore, we have no objection.

Should you have questions or comments, please contact me at (425) 227-2655.

Sincerely,

Paul F. Johnson
Civil Engineer
