In response to your email, we provide the following answers:

1. Request you change the confidentiality flag to non-confidential. We have edited the response to why an STA is necessary and purpose of the operation in the administrative section of the STA. We request that the Cover Letter and Exhibit A be withdrawn from this STA.

2. We have further corrected the output power to mW from MW.

3. Request you withdraw our Cover Letter and Exhibit A from this STA. See response 1 above.
