Subject: Request for Info - STA File #0014-EX-ST-2010

Message:

Mr. Young,

We have amended this application to include the L3 Communication radio operating in the 2390-2500 MHz band for all four areas. This is the same radio and frequency band as included in previous temporary submittal (0061-EX-ST-2009).

Please advise us if there are additional items to address.

Thank you
