Subject: Request for Info - STA File #0056-EX-ST-2010

Message:

Are the ground stations operating from fixed locations, or are they being moved around within the 5 km requested radius? Will they be in motion while transmitting? The tether location lists a 5 km radius. Does this mean that the tether is at least 5 km long?

The items indicated above must be submitted before processing can continue on the above referenced application. Failure to provide the requested information within 30 days of February 04, 2010 may result in application dismissal pursuant to Section 5.67 and forfeiture of the filing fee pursuant to Section 1.1108.
