Subject: Request for Info - File #0379-EX-PL-2008

Message:

1. Are the frequencies approved for station WD9XJU, File Number 0313-EX-ST-2008 (and agreed to for File Number 0278-EX-PL-2008), acceptable for this application? If so, coordination may go much more smoothly. If not, you will need to get consent of any affected Personal Communications Services (PCS) licensee to operate in 1850-1880 MHz and other frequencies not granted in 0313-EX-ST-2008 will have to be reviewed by several parties.
2. Will the UAV be flying at the same altitudes as submitted in 0278-EX-PL-2008?

The items indicated above must be submitted before processing can continue on the above referenced application. Failure to provide the requested information within 30 days of September 23, 2008 may result in application dismissal pursuant to Section 5.67 and forfeiture of the filing fee pursuant to Section 1.1108.
