and

Aerospace and Flight Test Radio Coordinating Council
P.O. Box 200547
Cartersville, GA 30120-9010
Coordination point contact: Mr. Darryl J. Holtmeyer, Telephone: (314) 233-1117.

You may either submit successful coordinations with those two organizations or withdraw your request to operate in those bands. Let this office know what you decide.

The 2320-2345 MHz band is allocated to the Digital Audio Radio Services. You will not be allowed to use this band without consent of the licensees. Do you want to try to obtain consent or do you want to drop your request for this band?

The items indicated above must be submitted before processing can continue on the above referenced application. Failure to provide the requested information within 30 days of October 06, 2008 may result in application dismissal pursuant to Section 5.67 and forfeiture of the filing fee pursuant to Section 1.1108.
