Message:

The Military Assignment Group (MAG) has tentatively denied the use of frequencies in their bands because they were unable to get in contact with a military point of contact (POC). I supplied them with the numbers of both Mr. Szcypanski and Mr. Lowman. Do you have another military POC that is more consistently available?

The items indicated above must be submitted before processing can continue on the above referenced application. Failure to provide the requested information within 30 days of December 02, 2008 may result in application dismissal pursuant to Section 5.67 and forfeiture of the filing fee pursuant to Section 1.1108.
