Subject: Re STAs pending for WD2XFP

Dear John,

I've just been advised that OET has approved our modification application to WD2XFP. Thank you!

HNS is therefore no longer in need of the pending STA requests. Please withdraw 0651-EX-ST-2004 and 0652-EX-ST-2004 from the system.

Again, many thanks for your kind attention.
