SUBJ: License Renewal

We are resubmitting our license renewal application as requested by your processing department. As you can see, we are late due to an error on our part.

Per the phone conversation dated 01 May 91, we have enclosed the proper forms and fee. Also, we have combined the fee for both stations on one check and hope this will not inconvenience your office in any way.

Thank you for your help and consideration in this matter.

Regards,
