Behnam,

Regarding File Number 0162-EX-ML-2012, Correspondence Reference Number 18150, you request we provide a valid US military contract number in order to process our application to operate in 380 MHz. This Modification of License Application is in support of contract W911QY-12-D-0012 with the US Air Force. Please let us know if you need any further information to process our application,

Very Respectfully,
Gerald
