Mr. Ghaffari

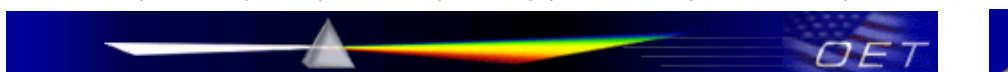

This frequency license application file number 0124-ex-pl-2010 does not need to be filed as confidential. I believe that this application and the application with file number 0129-ex-pl-2010 have been paid for but I am still working on creating an exhibit that describes the nature of intended operation (item 2). Can this exhibit be a written description or are you looking for something else?

Ben Schreffler
