Purpose

This purpose of this modification request is to add new frequency bands to FCC call sign WI2XQM. Below are the new frequency bands, power levels, and emissions. All other geographic location data remains the same.

The required start date is October 1, 2017.

New Frequency Bands	Power Level ERP	Emission
880-915 MHz	1 Watt	N0N
925-960 MHz	1 Watt	N0N
1710-1755 MHz	1 Watt	N0N
1805-1880 MHz	1 Watt	N0N
1920-1980 MHz	1 Watt	N0N
2110-2170 MHz	1 Watt	N0N

New Frequency Bands	Power Level ERP	Emission
2400-2835 MHz	1 Watt	N0N
5275-5875 MHz	1 Watt	N0N
