Subject: 0639-EX-CN-2019 pre-coordination data request

---

Message:

This application was amended due to discussions with Sirius XM legal counsel Karis Hastings. 2295 MHz replaced 2310 MHz at all locations as agreed to with Mrs. Hastings.

We also obtained AFTRCC coordination to add a new location. As part of this amendment, The Dalles (Mill Creek Ridge) was also added as a new location. AFTRCC coordination for this additional location has been attached to this filing.

Sorry for the confusion and please let me know if there are any questions.

Thanks
