**Subject:** RE: Insitu AFTRCC Coordination Request Hood River, OR

Hi Joe,

When you submitted your original request, neither myself or the coordinator were copied on the email. I'm glad you checked today. In the future, please email me and copy [treasurer@aftrcc.org](mailto:treasurer@aftrcc.org) and the coordinator.

Mr. Morris, AFTRCC TM Coordinator, is beginning his vacation today. He will try to get the coordination to you today, but otherwise it will not be completed until his return on August 19<sup>th</sup>.

Also, AFTRCC is no longer coordinating 2310-2320 MHz, so the request for 2310 MHz will not be on the coordination you receive.

Thanks,
