Subject: FCC File No. 0818-EX-ST-2015

Message:

The AFTRCC coordinator for this band is currently on vacation for 10 days and user is unable to wait until coordinator returns. 2350 MHz was removed from application on both locations. AFTRCC response stated that 2310 MHz no longer requires AFTRCC coordination. AFTRCC response has been attached to application. Please continue processing unless there are other questions.

Thanks

Joe Thorsheim
