Message:

Mr. Rell,

1. Please submit an exhibit as an attachment to this application describing in great detail the purpose of this experiment. The attachment does not include any explanation of your testing/demo.
2. What is the requested Effective Radiated Power "ERP" (output power + antenna gain) in watts? What you have entered for power (20 W) is only the output power.
3. Please report a designated point-of-contact to terminate transmissions if interference occurs.

The items indicated above must be submitted before processing can continue on the above referenced application. Failure to provide the requested information within 30 days of February 18, 2011 may result in application dismissal pursuant to Section 5.67 and forfeiture of the filing fee pursuant to Section 1.1108.
