Subject: RE: FCC File No. 0082-EX-PL-2011

Mr. Ghaffari,

Since we do not need FCC approval to transmit in the military band we would like to withdraw our application with you for both Ku-band and X-band.

I was not aware that FCC approval is not required to transmit on the 7.9-8.4 GHz military band. We are currently working with our DoD program office.

Thank you for your assistance,

Doug Rell
