Subject: Two new emergency STAs for Kelly AFB, Texas

Hi Mr Kennedy,

I submitted two applications on Intel's behalf, one for the FCC frequencies 3650-3700 MHz, the other for the 3.5 GHz frequencies used in the EU.

The file numbers are 0538-EX-ST-2005 and 0539-EX-ST-2005

Please delete/dismiss incomplete filings 0536-EX-ST-2005 and 0537-EX-ST-2005.

best regards

Tom
